

## Wedding Couples

### June 2015

Liz,

Where do we begin? Perfection says it all. From the moment Alex and I met you and walked the grounds at Hessenland we instantly fell in love and knew right there that this is where we wanted to make magic happen. You and your staff have everything down to a "T" and made our wedding day absolutely perfect. From our endless emails at odd hours to numerous laughs we could not have chosen a better location and group of individuals to spend our day with. Our wedding day was truly magical and perfect and we owe it all to you! Alex and Ashley

Dear Liz

Everyone has commented and we have experienced first hand just how remarkable you are at your job. You made us feel as though we were the only wedding you had which is so amazing as you have so many to plan! You made everything run so smoothly and impressed us over and over again with your attentiveness, organization and calm and friendly demeanor. Thank you so much for being part of this amazing experience! All the best, Hannah and Josh

### July 2015

Hey Liz

As you know, Phil and I are on our honeymoon but just wanted to drop you a quick line to say thank you SO MUCH for everything last weekend. We had an absolutely amazing time.

The entire weekend was exactly how we always dreamed. It was so relaxing and the perfect environment for our family to come together and spend some quality time with one another. Everyone was raving about the venue and about you and your staff. You are all warm and wonderful and we felt so at home.

I wanted to mention how great Shelley was. My family loved her! She was so accommodating and fun. There was also a younger guy at the bar whose name I unfortunately didn't catch but who was sweet. Phil and I both appreciated him checking to see if we needed anything and he did a wonderful job serving our guests. You have an absolutely phenomenal group there.

It goes without saying but this wedding wouldn't have been the same without you, Frank and the whole Hessenland Team. The food was wonderful and our guests had only positive things to say.

You have a special place in our hearts and we look forward to spending many anniversaries and special events with you in the future. Alyssa and Phil

To Liz and the Hessenland Staff

We just wanted to say thank you so very much for hosting our wedding in September. What a gorgeous day you made it. Working with you to plan the day was a treat- you made it so simple, and you were so accommodating to the things we wanted in our day and how we wanted it all to look. The grounds looked lovely, the food delicious and the service exceptional. I have since driven past your place a couple times, and it just brings back so many wonderful memories of an absolutely perfect day. Thank you for what you do- you do it so well. Blessings Darren and Bailey
